an Opportunity to Secure a Home at Reno.

200 LOTS FOR SALE

The manager of the Lake estate, in order to enhance the value of the property of the estate, as well as assist in

Building Up the Town of Reno,

Has determined to offer two hundred fine building lots for sale, some of which are situated in the central part of town, and are very desirable for business purposes. The proposed site for homes is immediately South of the Truckee river, and its elevation affords a magnificent view of the mountains in the distance, and the valley and town near at hand. A more perfect place for an elegant home could not be selected. The soil is good, and an abundant supply of water will be sold with each lot. The health of the locality cannot be questioned, as its elevation assures a perfect system of sewerage. Gas mains will be laid through the streets free of cost, for the benefit of those desiring to use them. It is also intended by the owners to lay out a park on the South side of the Truckee river, covering 20 acres, in which the public may enjoy the pleasure of driving, fishing and boating.

The educational advantages of Reno are well known, and the business prospects of the town are assured beyond a doubt. Purchasers of these lots may feel confident that the best of terms will be offered, and they will be fairly dealt with. For further particulars, address
